

The Camden Equine Circuit is a local, Camden based, schooling circuit. This year the CEC decided to host their own year end final show. Previously, the CEC had joined in with other show circuits for a year end event. However, the CEC members were not competing against the same rider/horse combinations they had competed against all year long.

As an opportunity to our members, we want to try and offer this CEC sanctioned show as a reward for all the hard work that the riders exhibited throughout the year. If you would please consider helping the riders enjoy a top notch finale - your generosity would be greatly appreciated. We need help funding the show programs, two jump rings, class awards and the CEC circuit. This show will be hosted at the South Carolina Equine Park on **November 17<sup>th</sup>, 2018**. Thank you for your consideration and we hope to see you there!
