The Camden Equine Circuit is a local, Camden based, schooling circuit. This year the CEC decided to host their own year end final show. Previously, the CEC had joined in with other show circuits for a year end event. However, the CEC members were not competing against the same rider/horse combinations they had competed against all year long.

We anticipate 500-750 people to see or be a part of this event. There are roughly twenty five year end divisions which riders will be competing. We also pull from all over South Carolina :: Darlington, Newberry, Columbia, Pelion, Chapin, Cassatt, Elgin, Lexington, etc.

As an opportunity to our members, we want to try and offer this CEC sanctioned show as a reward for all the hard work that the riders exhibited throughout the year. We need help funding the show programs, two jump rings, class awards and the CEC circuit. If you would please consider helping the riders enjoy a top notch finale – your generosity would be greatly appreciated. This show will be hosted at the South Carolina Equine Park on **November 17th, 2018**. Thank you for your consideration and we hope to see you there!
